

NEW WEBSITE LAUNCH – AUGUST 2010

In order to better serve our clients and to better communicate exciting new product offerings, DrFirst will be launching a brand new website this Friday, August 6, 2010! The new website will make it easier for users to stay on-top of developing products and federal incentives such as

- ARRA “Meaningful Use” criteria
- EPCS: E-prescribing Controlled Substances
- Mobile apps for the iPhone, Android, iPad and other smartphones
- Upgrading from e-prescribing to over 110 DrFirst EMR/EHR/PMS vendor partners
- And much more!

IMPORTANT NOTE

The login for Rcopia will now be located at the top of the page, on the right side. Previously the login was located part-way down the page, within the column along the right. This move isolates the login box, making it easier for users to login and access The Members Area and Rcopia.

DrFirst appreciates your business and strives to help you Get Back to Being a Doctor First! **If you have any questions regarding the new site, Rcopia, or any other products DrFirst products, please contact customer care at (866) 263-6512 or customercare@drfirst.com.**
