

Transworld Systems Chosen As New OPNS Member Benefit

WATERFORD, MICHIGAN (July 12, 2010) - **Transworld Systems / GreenFlag Profit Recovery**, Michigan's most effective delinquency management service is now being offered to OPNS Members at discounted rates. Transworld's diplomatic approach is ideal for the 2% to 10% of patients who frustrate practices by not paying on time or even calling to make payment arrangements.

Rodger Prong, Executive Director of OPNS states, "*OPNS has been contacted by and reviewed other collection agencies and never created a member benefit relationship until now. We have chosen **Transworld Systems / GreenFlag Profit Recovery** for several reasons including:*

- Diplomatic approach to Patient Self-Pay recovery
- MGMA AdminiServe Partner for over ten years
- Currently serving over 20,000 medical providers nationwide
- Special discounted rates for OPNS members
- Easy to use 'state-of-art', HIPAA Compliant web portal
- Tools designed to accelerate cash flow for your practice
- Guaranteed results for OPNS members

I encourage our members to invite TSI Consultants into their practices. I am confident that our members will be impressed with the professionalism, quality of service and most importantly, results."

Ron Cash, Transworld Systems Michigan Regional Director said, "*We are proud to be partnering with OPNS and look forward to earning member trust. Transworld has served the Michigan medical market since 1980 and I know that Glenn and Beth will serve OPNS members well."*

TSI partners with major Physician Groups around the country to provide its services to single doctor practices as well as larger medical groups.
